DAY 12: (B)

Sunday 21/03 Cairo

SPRING EQUINOX!

This is another early morning because we have the most incredible good fortune to have private time in the Great Pyramid, on Spring Equinox, at 6:00-8:00!! Unbelievable. The Gods are with us. The stars shine down upon us!

Our journey of initiation is completed here, at Giza, at this most powerful time of Gaia's energy rising! Our initiation of activation, anchoring the new strand of DNA inside the King's Chamber, is the **Third Eye**

opening through the activation of the THROAT CHAKRA, in the resonance chambers of the Great Pyramid.

Exceptionally, Patricia's groups are allowed access to all three chambers: the King's Chamber, the Queen's Chamber and the subterranean chamber, or the "pit," as it is referred to by the archeologist. After our truly life-altering experience inside the pyramid, you will be free to roam around the Giza Plateau to experience all that is there.

After about 30 minutes, we will proceed to the Great Sphinx, where again we will have private access. Here we open the **CROWN CHAKRA**, in the arms of the Sirian Goddess.

After this powerful experience, we will return to the hotel, where you can rest swim, enjoying the sun and just integrating what has been experienced in this powerful journey of enlightenment, through the gates, and closer to the stars.
